

# COVID-19 FORM, POLICY & WORKFLOW CHANGES

Critical forms, policies and workflows are undergoing changes that require immediate practice change. Whether changes to the Donor Risk Assessment Interview (DRAI) or Covid-19 testing procedures, TXP Chat™ can help you communicate these changes rapidly across your entire organization.

Acknowledgement of updates from staff so you can confirm receipt of information

Share updates and media (DRAI revisions, COVID test requisitions) with all staff quickly

Reduce reliance on flooded inboxes for critical info by keeping a log of all communications for new employees and contract staff.
